Release 7.0 - December 2024

2024-12-13 - Jessica - Release announcements

In this article, you will find the latest changes of the European School Education Platform.

New/improved features

eTwinning

- **Double-roles:** all registered users can now have different roles based on the organisation(s) added to their profile (they can be teachers in a school and teacher educators in ITE).
- eTwinning European Prizes: information related to the Prizes awarded prior to 2024 are now available on the platform.

My dashboard

• Portfolio: all users can now create portfolios.

Global search

• Filters for the platform global search have been improved.

Rooms

• The list of available images when adding a picture in an update has been improved.

Fixed issues

TwinSpaces

 $\bullet\,$ The issue that was impeding access to pages for some members has been solved.

Chatrooms

- This feature can now only be accessed by a member of the same TwinSpace or group.
